

Student Directory Opt-Out Form – 2018-19

Every year, the Little Cedars PTA publishes a student directory with contact information for parents and staff. This is a valuable resource for parents to refer to during the year and supports the PTA goal of fostering communication and friendship between families. This year, one student directory per family will be provided free of charge. All students will appear in the directory in an alphabetized class list, sorted by grade. Being included is optional and you may opt out of having all or some of your information included.
