Fundraiser funds due, Friday Oct. 14th!

The BIG one is here!!!

Help us meet our goal with just **one big fundraiser** for the year!

This year we are doing something a little different and the approach we are taking will allow our school to **keep 100% of the funds raised**. Feedback regarding selling items and getting pledges, in addition to the split of funds using external companies to help were taken into consideration. **We are committed to purposeful fundraising** and great thought was put into setting our goal for the year as well as how best to reach it.

Fundraising Goal

We've set our goal pretty high but believe it's within reach with help from all our Little Cedars families. The LCE PTA's yearly operating budget is about \$35,000 and that is our goal for this fundraiser. With approximately 709 students, a \$50 contribution per student would get us there. Not all families are able to give and others can give more, please give what you are comfortable with.

Did you know?

The Snohomish School District does **not** provide funds for extra programs such as IXL, the Piano lab, gym and playground equipment that our kids use EVERY DAY!

The events your family enjoys such as carnival, BINGO, Family Heritage night among others are put on by the PTA who pays a fee to rent the school space.

LCE PTA has also provided backpacks for kids in need, filled with all their necessary school supplies, scholarships for LCE alumni graduating Glacier Peak HS and many other community donations and grants!

Little Cedars Elementary PTA is a not for profit 501C3 business. TAX ID: #87-0797436

All donations are tax deductible. Many companies (for example: Boeing & Microsoft) will also match your donation so make sure to check with your employer!

Our PTA does WHAT?!

Our PTA has such a high operating budget because **we contribute to a wide range of school programs, events and community support.** We want to keep up with this level of support as it provides the most benefits to our deserving kids, but it can only happen with proper funding.

Here are just a few more things the **PTA pays for** and estimated costs based on past years...

- Two new GaGa Ball Pits for the 2016-17 school year - \$2,500 spent on supplies and installation.
- Playground and recess equipment - \$450 per year.
- Field trips – \$12,000 per year. We have paid for the majority of these so all students can go free of charge or at a significant discount!
- Art & Science Docent Programs - \$2,000 per program, per year.
- Student Phone Directory - \$1,000 per year.
- Dads & Donuts - \$600
- Moms & Muffins - \$400
- IXL Math program – Over \$5,000 a year!

THANK YOU
